DIRECT DONATION

You might prefer to make a direct donation to your PTSA rather than wait for fundraising campaigns that occur later in the school year (although it's fine if you want to do both!). Every dollar of your direct donation goes straight to your PTSA. You can donate unrestricted funds to be used over the course of the year, or designate specific programs to support. Direct donations can be made at any time, with this form or via the PTSA website at <https://stuart.ptboard.com/home> or www.stuartptsa.org.
